Dear Parent/Carer

Return of School Reading Books

As you are aware children are allowed to take reading books home from school to encourage their love of reading. Many pupils return their books, but there are still quite a lot of books which have not been returned. Most of these books are part of class sets that can be used for guided reading or were part of a reading scheme.

Having the books returned allows the teacher and children to reading during lessons. Unfortunately, without having all the books returned, we are unable to do this and with many books missing, they will be very expensive to replace. If anyone does still have any school books at home, could you return them to school as soon as possible.

If you are unsure whether a books belongs to you or the school, please check the inside cover. All books that we send home are stamped with the St Finbar's School stamp.

Thank you for your continued support.

Yours faithfully
