School swimming lessons

Dear Parent,

Your child is due to take part in school swimming lessons with School Improvement Liverpool. Your child's health and safety are priority, and I would like to make you aware of the following requirements, in advance of the lessons starting.

All children must wear a swimming hat – if there are individual concerns regarding this, please speak to your child's schoolteacher who will contact us directly.

Children wearing glasses will need to remove these whilst in the pool.

False nails – no child will be allowed to take part in the lessons if they are wearing false nails, this is not only to protect their safety but also that of others.

Earrings should be removed before attending swimming lessons. If they are unable to be removed your child must have small stud earrings in and these must be covered using the swimming hat.

Necklace and bracelets should be removed before attending the swimming lesson. If they are unable to be removed your child will be required to wear tight fitting clothes, over the top of the jewellery, to ensure it is held tight to the skin. You will be provided with a letter to sign for this.

Should you have any questions or queries please speak to your child's schoolteacher who contact us if necessary.

Kind Regards

Please note: If you are not able to adhere to the above, staff at the swimming baths may prevent your child from taking part due to Liverpool City Council's Health & Safety Policy.
