

In God's love we learn and grow together

Headteacher: Mrs J P Conley

27th January 2024

Dear Parent/Carer

We're taking part in NSPCC Number Day!

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7th February 2025**.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities and we will be taking part in *Dress as a Digit*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt etc – Please do not go to any additional expense). You could get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a donation of £1, and we would love everyone in the school to take part in this special event.

Please send in your donation to support NSPCC's work in a sealed envelope and pass to our office staff.

We are really looking forward to all the fun of Number Day, and we really appreciate your support.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that is always there for children and young people whatever their problem or concern. On average, a child contacts Childline every 25 second.

You can find out more about the NSPCC's work or about keeping children safe online at www.nspcc.org.uk

Yours sincerely

Mrs J Conley
