We are delighted to invite you to a special 'Stay and Learn' session with your child on Tuesday 21st January at 2.30 pm in the Year 1 classroom.

This session offers a wonderful opportunity for you to:

- Explore the continuous provision activities your child engages with, which are designed to support their learning and development
- Learn about activities aimed at developing fine motor skills
- Participate in a discussion on the importance of sitting correctly and how posture can positively impact learning

We look forward to seeing you and sharing insights into your child's daily learning experience.

If you have any questions before the sessions, please speak to Mrs Flynn.

Yours sincerely
