Dear Parent/Carer

EYFS to Year 6: 'Eggsploring' A chick-hatching experience
Monday 17th March 2025 to Friday 28th March 2025

On Monday 17th March, we will receive a chick-hatching kit from 'Eggsploring'.

Children learn best when they can see and touch what they are studying. The hatching kit provides a tactile learning experience that engages children and sparks their curiosity.

The joy and excitement of seeing a chick emerge from its egg is an unforgettable experience for children. It fosters empathy, responsibility, and a love for nature.

The children will have the opportunity to look closely at the chicks, feed them and even hold them. There is a reply slip below which needs to be returned to school as soon as possible.

Yours sincerely

Mrs J Conley
